

Editor's Message

We are delighted to announce the publication of the latest issue of Spectrum of Emerging Sciences Volume 4, Issue 2, dated 31-Jan-2025.

This new issue brings together a collection of cutting-edge research and thought-provoking articles that showcase the latest advancements in a diverse field of science. Our editorial team has worked tirelessly to curate a selection of papers that not only demonstrate excellence in research but also push the boundaries of knowledge in their respective fields.

The issue features a diverse range of articles, including Research Articles and Reviews in the field of Biology, Computer Science, Chemistry, and Engineering.

We would like to extend our gratitude to our authors, reviewers, and editorial board members who have contributed to this issue. Their dedication and expertise have been instrumental in ensuring the quality and rigor of our publication.

We hope that you will find this issue informative, stimulating, and thought-provoking. We invite you to explore the contents of this issue and to share your thoughts and feedback with us.

As always, we are committed to maintaining the highest standards of quality and integrity in our publication. We strive to provide a platform for scholars and researchers to share their knowledge, advance their fields, and contribute to the global scientific community.

Thank you for your continued support of Spectrum of Emerging Sciences. We look forward to receiving your submissions and to publishing your research in future issues.

Sincerely,

Prof. Rameshwar Adhikari

Editor-in-Chief
